

How to Renew an Existing Product as an Applicant

In order to renew an existing product, you must have already registered as an applicant. For instructions on how to do this, see <https://www.kyagr-apps.com/AgExternal/Security/FAQ/GetFile?filename=Pr How to Register an Applicant.pdf>

- Go to the kyagr-apps login page at <https://www.kyagr-apps.com/AgExternal/Security/Account/Login>
- Log in using the credentials you set up
- Click the “Launch” button under “Product Registration”

The screenshot shows a user interface with two main sections: "Company Information" and "Programs".

Company Information
Select the Company Info button below to view detailed information about your company.

Launch »

Programs
Select your program button to view or process program specific information.

PRODUCT REGISTRATION BULK CONTAINMENT PESTICIDES

Launch » Launch » Launch »

The "Launch »" button under "PRODUCT REGISTRATION" is circled in red.

- Click the “Make a Payment” tab
- You will see a list of products. Check the box next to each product you want to renew
- **NOTE: If a product has not been renewed in three years or more, you will have to pay the fee for each year up to the present year in order to renew the product**
- If desired, add comments to the box labeled “Comments”
- Click the “Process Payment” button
- Provide your payment information and follow the instructions to finish processing your payment
- Once your payment is completed, click the “View Receipt” button

- Review the information and print or email the receipt if desired, then click the “Complete Transaction” button to return to the Product Registration app
